BALLET COMING TO CHAFFEY FOR EXCLUSIVE SHOW

Popular Entertainers Will Make Only Southland Appearance Thursday

When the San Francisco Opera ballet dances in Chaffey auditorium Thursday at 8:15 p. m., it will be making its first and only appearance in Southern California for the 1940 season, it was discovered today. The 40 artists who will present "Coppelia" and "In Vienna" have recently concluded a tour through the northwestern and eastern states as far as Chicago.

This is the second event on the Allied Arts series being sponsored by Chaffey. The two numbers which have been chosen for presentation at this time should delight both the young generation and the elders. While the Viennesse ballet, which incorporates the lilting waltzes of Johann Strauss, presents a series of scenes during the latter part of the nineteenth century, "Coppelia" is definitely a dance of youth.

With the exception of the Burgomeister and old toy-maker of the piece, the entire cast is composed of youth, with its problems and young romance. This ballet is a particularly happy choice for the San Francisco company which has so many young dancers. Young that is in point of age but not in ballet experience.

The majority of the troupe began their training at the ages of six or seven and many of the featured dancers have only recently passed their eighteenth birthday. The premiere danseuse, Janet Reed, is herself in the early twenties.

Reservations and inquiries are being received from as far as Glendora, San Bernardino, Perris and Santa Ana for tickets to this unusual entertainment.

Meeting of Upland P.-T. A. Postponed To Next Wednesday

Regular meeting of the Upland Parent-Teacher association, previously scheduled to be held Wednesday afternoon, has been postponed for one week, it is announced by the president, Mrs. T. George Cunning.

The meeting will be held Wednesday evening, Jan. 17, beginning at 7:30 and an especially interesting program will be presented, the theme being "Some changes in the educational purposes and methods interpreted to the parents".

Mrs. Gertrude Reid of the San Bernardino office of the county superintendent of schools, will be the speaker. Her talk will be accompanied by a demonstration educational motion picture.

There also will be a demonstration of the radio system in the elementary school.

The meeting will be held in the school auditorium with Mrs. Cunning presiding. After the address and motion picture, the parents will go to the class rooms attended by their children and view exhibits of school work.

After an interval of half an hour a bell will be rung calling the parents and teachers to the cafeteria where refreshments will be served. The fourth grade mothers will be hostesses.

Finnish Fund Is Raised to $73.90

Contributions to The Upland News Finnish Relief fund from two more sources has raised the contributions to $73.90.

The Nazarene church, through its treasurer, Oren L. Decker, contributed $9.65. The Rev. William I. Doole gave $1 to the fund to swell the local contributions for the benefit of Finlanders.

All money sent The News for the Finnish Relief fund will be sent to national headquarters in New York. Herbert Hoover is sponsor of the national fund.

$235 Is Daily Cost To Operate Hospital; Work Of Institution Reviewed

It cost $235 a day for the San Antonio Community hospital to operate during 1939, but because of that expenditure the suffering of many people was relieved, deaths were averted and the general public was served, according to the annual report submitted to the hospital board last night.

In making his report, Dr. A. A. Aita, superintendent, reviewed what is regarded the most successful year in the hospital's history. The death rate was 1.7 per cent, the lowest on record for the hospital and one of the lowest figures of all Southern California institutions, according to the officials. Ten thousand dollars worth of service and supplies were given to patients financially unable to pay, it was reported. Of this "charity" work total, services valued at $6,000 were given in the laboratory and X-ray departments.

The hospital's 1939 pay roll totaled $37,950 and the total amount of money expended in operation of the institution was $85,958, according to Dr. Aita.

Other items in the factual report on the hospital follow: New equipment added during year, $6,166; total new equipment since 1931, $46,779; number of meals served, 57,719; number of patients dismissed, 1,336; number of patient days, 9,215; number of accident victims admitted as patients, 165; number of babies born, 173, of whom 86 were boys and 87 girls.

The official reported that a new operating table costing $940 has been installed jointly as the gift of the hospital medical staff and by a donor in memory of the late Carl Holmer, Ontario city manager.

NOT GUILTY PLEA IN MURDER CHARGE

Julian Cole Denies Act When Court Hearing Held—Trial Is Jan. 30

"Not guilty" is the plea of Julian Cole, who is charged with the murder of Arthur E. Edwards, owner of an Ontario tourist camp, who was slain Dec. 8. Cole entered a plea in Judge Charles L. Allison's court yesterday. Trial was set for Jan. 30.

Ontario police and county deputy sheriffs obtained a confession from Cole about the slaying. Soon after Cole was charged with the murder he is reported to have declared his intention to ask the court for a speedy hearing.

Edwards' death was the result of two heavy blows on the head, according to the report of officers.

Movie Photography Club Will Present Olympic Pictures

Motion pictures of the 1936 Olympic games held in Berlin will be shown Wednesday evening during a meeting of the Chaffey Community Cine club, it is announced by J. Burton Long, president of the club.

Ernie Payne, in charge of the program, has arranged for Lee Hansen of Los Angeles, world famous for his sports motion pictures, to show his Kodochrome Olympic pictures and other features.

The meeting will be held in room 22 in the Chaffey junior college building and will begin at 7:15. There will be no admission charge and the public is invited to attend.

The Chaffey Community Cine club is composed of persons interested in motion picture photography and various special events are being planned for the members.

Judge Jacobs Will Address League on Thursday Evening

Judge Fred Jocobs will speak to members of the San Antonio Heights League at the meeting on Thursday evening at 7:30 o'clock, in the Eighteenth Street school. Another interesting feature of the program will be the showing of moving pictures by Louis E. Kronmeyer and Roy Green. Dr. Charles B. Taylor, president of the league, will preside.

$15,978 in Taxes Comes to Upland

Sum of $15,978.76 is Upland's share of the current distribution of tax money collected by the county, an apportion to cities in the county having been made yesterday.

Money collected by the county in Upland taxes is returned to the city from time to time.

CROSSING GUARDS ON DUTY TODAY

Intersections Watched by Men To Protect School Children

Two crossing guards are today at two street intersections as a protection for school children. The city is sponsoring the SRA project that makes possible employment of two men, one on Arrow highway at Fifth avenue and another on Foothill boulevard at Campus avenue.

As far as is known here, the SRA project will be conducted throughout the school year. Direct cost to the city is approximately $8 a month for each crossing guard.

For several years school officials, the Parent-Teacher association and police have studied the best way of protecting school children as they go between their homes and the school buildings.

PONCE ESPINO IS NEW SCOUTMASTER

Well Known Leader To Head Mexican Scout Troop In Upland

Ponce Espino, an instructor in Chaffey People's college, and an Eagle Scout, is the new Scoutmaster of Upland Boy Scout Troop No. 2, following the resignation of R. F. Bragg, who is giving up the work because of lack of time, it was announced today. Mr. Bragg has been a successful leader of the troop for the past two years.

Espino takes over the work with the local group, with a long and outstanding Scout record behind him. He was the winner of the Harmon scholarship nine years ago—an award which is given to only 12 Eagle Scouts throughout the nation each year.

Espino, who was for a time a member of the Mexican Players at Padua Hills, is well known as the leader of the Californians, a group organized to perpetuate Mexican folk dances and songs. He has also been identified with the Jarabe club of Pasadena.

The Mexican troop is sponsored by the Upland Rotary club. On the Scout committee are the Rev. George West Barrett, chairman; George L. Winter and Owen E. Atwood.

Annual Meeting of Leaders Scheduled

Annual meeting of all Boy Scout leaders and their wives in the Old Baldy council is scheduled for the evening of January 25, when the Loyola university coach will address approximately 250 persons in the Ontario junior high school auditorium.

PACIFIC ELECTRIC REDUCES RATE 25 PER CENT JAN. 15

Lower Charges Put in Effect Next Week—Bus Route Here Indefinite

A twenty-five per cent reduction in fares by the Pacific Electric railway becomes effective January 15, according to Harry M. Wright, local agent.

The reduction follows decisions handed down by the state railway commission some time ago. Another provision which affects Upland residents is substitution of bus service for rail service between Upland and Los Angeles. According to the proposed plan, which has not been adopted yet, there will be only four round trips by rail between here and Los Angeles. However, the service will be improved since there will be eight round trips by bus. Traveling time between here and Los Angeles by rail will be reduced to an hour, it is anticipated.

This bus and rail schedule also will apply between Upland and San Bernardino, under the proposed plan.

The reduced rate for one-way from here to Los Angeles is 70 cents, as compared with the old rate of 94c. The round-trip rate effective Jan. 15 is $1.20, as compared with $1.65 as at present.

Round trip from here to San Bernardino will be 80 cents, the one-way rate, 45c, as compared with the old rate of $1.10 and 61 cents, respectively.

The 10-ride fare to Los Angeles will be $5.60 and the 30-ride rate will be $12.60, this being a reduction from $18.10. The 40-ride rate for school children will be $14.00.

Old Officers of I. O. O. F. Preside Last Time Tonight

Last meeting for the old officers of Euclid Lodge No. 68, I. O. O. F., will be held this evening at the Upland hall, according to Milo Washburn, noble grand. A good attendance is requested. New officers will be installed at the meeting next week.

Third Pest Control Area Being Sought

Formation of a pest control district in the Bloomington trea is proposed by property owners there, according to a request presented to the county board of supervisors yesterday. Approximately 1,000 acres would be in the new district, according to the plan.

Two other pest control districts have been formed as a means of bringing about uniform practices in fighting citrus pests.

GERTRUDE EYMANN NEW TEACHER HERE

Fifth Teacher Added to Sierra Vista School This Week

Miss Gertrude Eymann began teaching in the Sierra Vista school this week. As is customary, a fifth teacher is employed in the middle of the year, since the Mexican school population always increases when families return here for the opening of the Navel orange picking season. Miss Eymann is teaching the third grade.

Miss Eymann has taught in the Grove Street school in Ontario. She resides with her sister-in-law, Mrs. Emma E. Ruth, 814 Washington boulevard. Miss Eymann belongs to a pioneer Upland family.

Enrollment at the Mexican school is approximately 175 now. Other teachers employed at the school include Mrs. Ada Hand Quick, Miss Sinabel Hart, Miss Mary McGilvra, and Miss Margaret Young.

CUCAMONGA CLUB SHOWS SPIRIT IN PLANNING ENTRY

Orange Show Display Will Be Presented Again—Committee Named

Spirit of the Cucamonga community that for years has resulted in winning entries in the National Orange show was exemplified again last night when definite decision was reached to exhibit in the 1940 citrus show.

The Cucamonga Service club, host to visiting National Orange show officials, heard about the 1940 classic and with considerable enthusiasm appointed William Hutton and John Klusman as the general committee members. "America" will be the theme of the show, according to William Starkey, general manager. Date for the citrus show is March 13. Detailed plans will be made soon for Cucamonga's important role in the annual event.

President George Mahan presided, the meeting being held in the Sycamore Inn. Representing Upland at the meeting was Ellery F. Wright. Judge Thomas Donnelly of Etiwanda and Ben Wilson and Gordon Billings of Alta Loma were also present.

Pictures Thrill Local Sportsmen

Due to the outstanding pictures that were shown, last night's meeting of the West End Fish and Game association is regarded as one of the most educational the group ever held. Sportsmen and their guests met in the Central school house, Ontario, with President Bus Andreas presiding.

D. B. Foss presented a thrilling pictorial description of the Kings River canyon. Other pictures were also shown by the visiting sportsmen.

The club's activities are drawing increasing interest and last night's meeting was attended by many persons.

Poultry Pictures To Show Big Project

How to care for prize-winning poultry on a 100-acre farm will be shown in colored moving pictures for the first time before a Southern California audience tonight at 7:30 o'clock. This program, sponsored by the Chaffey high school agricultural department, is open to the public without charge in the junior college auditorium.

Horace Dryden, head of the Dryden breeding farm in Modesto, will give a talk and explain the 1500 feet of film. Methods of breeding, caring for pure-blooded birds and preparing them for sale and show will be included in the program.

COUNCILS MEET ON SEWER ISSUE

Upland and Ontario Officials Discuss Procedure in Solving Problem

Upland and Ontario councilmen met informally here yesterday afternoon to discuss a "way out" in connection with the sewage disposal problem. This was the second joint meeting and additional meetings, all of a very friendly nature, are contemplated.

Arrangements were made to engage an engineering firm to make a survey of the Ontario sewage disposal plant.

Upland is concerned with the Ontario plant because a contract exists between the two cities, whereby Ontario agrees to handle the sewage from the Upland system. The contract contains a provision giving Upland the option of renewing the contract.

Since the Ontario plant is reported to be operating up to capacity now and since the contract expires in 1941, the two councils are seeking to settle the matter.

Camp Payroll Here Is Boosted $500 Monthly As Enrollees on Increase

Bringing the number in the Cucamonga CCC camp to 200 and increasing the local monthly pay roll by nearly $500, 60 youths have just been added to the personnel of the local institution.

Lt. D. K. Greelis, commanding officer of the camp, said that for some time the camp personnel has been decreasing due to the enrollees obtaining private employment. The normal camp population is approximately 200 but the list is at that figure today for the first time in several months.

Each enrollee receives monthly $8 for "spending money". The parents or guardians of the enrollees received $22 monthly Total amount of money received by the 200 youths for spending as they choose is about $1,600 monthly.

LICENSE SERVICE ENDS ON FRIDAY

Three Hundred Plates Have Been Secured Through Chamber Office

With only three more days after today when motorists may secure license plates at the Upland chamber of commerce, a last-minute rush is in evidence at the local office. The service will be available through Friday, but not on Saturday.

Three hundred license applications had been received from the time that applications were first accepted on January 2 until this morning.

Persons wishing to take advantage of the free service must appear with their white slips, bearing 1939 registration information, their postcards indicating the amount of tax due, and cash.

Two days after license applications are received, the plates will be on hand, to turn over to persons returning with their receipts. Motorists are reminded that they must call for license plates.

Hours for receiving applications are 8:30 a. m. to 12:30 noon, and 1:30 to 4 p. m.

When motorists receive their white slips for 1940 registration they will find indicated the amount of tax which will be charged in 1941. This will eliminate the mailing of post cards, as formerly.

REV. BURKHOLDER LEAVES PASTORATE

Brethren in Christ Church Pastor Resigns After Nine Years Here

The Rev. Alvin C. Burkholder will leave the pulpit of the Brethren In Christ church April 1, after a pastorate of nine years, it was announced today. While his resignation was accepted with reluctance by the church congregation some time ago, public announcement is just being made. The Rev. Burkholder will be succeeded by the Rev. C. R. Heisey of Pleasant Hill, Ohio. Rev. Heisey recently conducted evangelistic services at the local church.

Rev. Mr. Burkholder will take up evangelistic work, traveling throughout the country. He will also serve in public relations work for Beulah college. A graduate of Beulah college, Rev. Burkholder has served the church at Dolan, S. D., and Ramona, Kan., before beginning his pastorate here.

For an indefinite period, Rev. Burkholder will maintain his residence here.

Rev. Burkholder is the son of Mrs. C. C. Burkholder, a long-time Upland resident.

Brother of Upland Men Passes Away In St. Joseph, Mo.

J. A. Moser, brother of L. E. and P. J. Moser of Upland, passed away this morning at his home in St. Joseph, Mo., word of his death being received here in a telegram this morning. Mr. Moser was the eldest member of the family. His death was due to a sudden heart attack. He and his son visited in Upland a few years ago. Other brothers in California are LeRoy Moser of Hollywood and Don Moser of Roscoe, San Fernand valley.

UPLAND IS VISITED BY SANTA FE HEAD

President Engel and Officials Guests of L. A. Fox as Stop Made Here

Upland was visited Monday by a group of distinguished railway executives and division officials, including Edward J. Engel of Chicago, president of the Atchison, Topeka and Santa Fe railway.

L. A. Fox, local agent, was host to the delegation during their visit here.

On a tour of inspection of the railroad properties, Mr. Engel and his party spent some time in San Bernardino Saturday going over the shops there. The railway president also spent considerable time in studying the citrus situation.

It was with that industry in mind that Mr. Engel and his officials came to Upland. While here they conferred with a number of officials of local citrus associations, discussing the present crop prospects, shipping facilities and accommodations, and getting acquainted generally.

Business conditions in California appear to be improving, Mr. Engel stated, but he added that the midwestern drought, which has threatened to greatly curtail the wheat crop, is the major problem facing the railroad, which handles 70 per cent of the wheat crop.

On his visit to Upland Mr. Engel, who succeeded the late E. T. Bledsoe as president of the Santa Fe about one year ago, was accompanied by W. K. Etter, vice-president, of Chicago; J. R. Hayden, assistant to the president, of San Francisco; Guy Goin, freight traffic manager, of Los Angeles; L. G. Sills, division freight agent, and W. S. Cunningham, traveling freight agent, both of San Bernardino; L. W. O'Brien, traveling freight agent, of Los Angeles, and F. J. Early, passenger agent, of Pomona.

It will be recalled that J. R. Hayden, now assistant to the president, was station agent in Upland about 40 years ago, and still has a number of friends among the long time residents.

Inquest Today for Victim of Shooting

Under observation in the psycopathic ward of the county hospital today is Joe D'Aiuto and tonight a rosary will be held in memory of the man's widow, who was killed Saturday morning. Funeral mass for Mrs. D'Aiuto will be held at 10 a. m. tomorrow in the St. George Catholic church. The rosary service will be held at Draper's chapel.

An inquest into the woman's death was scheduled for this afternoon at the J. B. Draper Co. mortuary in Ontario.

Circumstances in connection with the woman's death by gun shot will be studied during the investigation.

No complaint has been filed against D'Aiuto.

He was in the Upland police station for a short time Saturday after he had fled from his home to the Cucamonga CCC camp. At the camp he confessed to Arthur Darsey, superintendent, that he had killed his wife. Upland police were notified.

The D'Aiuto family resides at 1311 East A street, Ontario. Mrs. D'Aiuto was at a sewing machine in the front room when a shot was fired. She died instantly.

WEEK END RAINFALL TOTALS 4.35 INCHES; SEASON FIGURE HIGH

Sunday Night Storm Brings 3.58 Inches—Canyon Road Closed

With 4.35 inches of rain falling in Upland since last Friday, the rainfall total for the season now exceeds by 3.41 inches the total of a year ago. Last Friday, the rainfall was an inch behind the same time last year, but the welcome heavy precipitation of the week end brings the total for the season to 12.70. This compares to 9.29 for the same date in 1939.

NIGHT'S RAIN 3.58

Rainfall as recorded by J. R. Johnston, West Twenty-second street, on Sunday night was 3.58 inches. Last night the rain gauge recorded .36 inches.

WORK ALL NIGHT

City of Upland crews worked all Sunday night at Frankish canyon, diverting water from Twenty-fourth street to Euclid avenue to prevent erosion on groves in the foothill section.

The rain, which was the first good downpour since that of last September, brought relief to citrus growers, who will be able to discontinue irrigation for a prolonged period.

ROAD CLOSED

At the same time the rain did no great damage except to the Camp Baldy road. Only a few motorists were permitted to go through last night, and crews were still at work on the canyon road today. Damage was occasioned by the debris being washed over the road at the foot of Hogsback, near the Edison company station. Lack of vegetation, swept away in the flood two years ago, caused the debris to be carried down the stream.

No snow fell at Camp Baldy, but snow was evident on the mountain peaks. Rainfall at Camp Baldy since last Friday amounted to 4.45 inches.

WATER CONSERVED

Practically all of the rainfall of the storm was conserved by being spread in the two spreading grounds at the foot of the mountains. A. C. Reynolds, manager of the San Antonio Water company, said that the spreading grounds in Cucamonga canyon conserved all of the water there. Spreading of water by the Pomona Valley Protective association on the west side of San Antonio canyon was also successful.

Kay McCullough Is Author of Poems in Many Publications

Mrs. Kay McCullough, San Antonio Heights, is one of the authors whose poems are included in "The Yearbook of Modern Poetry, 1939", a 700-page volume just published by Avon House, New York City. The volume contains work of little-known authors as well as that of writers who have been published in many magazines and books. Three poems by Mrs. McCullough are in this anthology. They include "Summer's Loom", "The Harvesters", and "Safe Landing".

Mrs. McCullough who, with Mr. McCullough, operates a grocery store on San Antonio Heights, has had 268 poems published, and 68 of these have been reprinted in other publications.

Numerous anthologists have published work by the local author. She has even published work in foreign countries, the London Press "Principal Poets of the World" carrying some of her poems.

Poetry magazines published in various parts of the United States frequently present her work, and newspaper columns in Oklahoma, Texas, Pennsylvania, North Carolina and Florida have also recognized her. For some of the poems she receives pay, and others only "glory". December 9 issue of "War Cry", a publication issued by the Salvation Army, included a poem by Mrs. McCullough.

Public Business and the Public

If there has been "slush" and "rumors" in The Upland News about the city council and its recent actions—as has been charged—we are deeply regretful. Mayor D. J. Cameron has accused The News of dealing in trivialities and of developing public dissension.

Personal criticism expressed in public print could surely be destructive, but we believe a general discussion of city affairs is wholesome. And honest comments about public affairs should not be interpreted as being of a destructive nature.

It is our observation that Upland citizens have a new, critical interest in city affairs—not because of what has been put in the public print but because of the city council's recent acts and their general policies.

The mayor declared a few nights ago that he would be pleased if certain matters in governmental affairs were overlooked as far as The News was concerned. It is true that much of the preliminary discussion leading up to decisions on matters can be and is ignored. But when final action is taken and a public record is made, or when departmental and officials' reports are submitted monthly, surely there should be no legitimate objection to their publication.

At one time a nearby newspaper carried in its masthead the declaration, "If you don't want to see it in print, don't do it."

All the good deeds in giving the city its governmental advantages should be remembered when the council is under consideration. Certainly Mayor Cameron's outstanding record in the community distinguishes him as a valued citizen. As a former member of the Upland school board and as a director of the Upland Citrus association and of the San Antonio Water Co., he has contributed much in sound judgment and management for the benefit of the community.

What has been said here in recent weeks was in no sense a personal criticism and we regret that Mayor Cameron has taken it as such.

However, as one of the individuals concerned in the city's government, we reserve our right of editorial comment upon affairs that we believe vitally concern the citizens of Upland. It has been and is our constant endeavor to keep our editorial and news columns free from "slush" and "rumor". We endeavor to deal in facts.

We would be weak indeed, should we permit threats of loss of business and financial harm to deter us from performing any task that would benefit our community.

It is fitting to present here the "Editor's Creed", to which we heartily subscribe:

We believe in the profession of journalism.

We believe that the public journal is a public trust; that all connected with it are, to the full measure of their responsibility, trustees for the public; that acceptance of lesser service than the public service is betrayal of this trust.

We believe that clear thinking and clear statement, accuracy and fairness, are fundamental to good journalism.

We believe that a journalist should write only what he holds in his heart to be true.

We believe that suppression of the news, for any consideration other than the welfare of society, is indefensible.

We believe that no one should write as a journalist what he would not say as a gentleman; that bribery by one's own pocketbook is as much to be avoided as bribery by the pocketbook of another; that individual responsibility may not be escaped by pleading another's instructions or another's dividends.

We believe that advertising, news and editorial columns should alike serve the best interests of readers; that a single standard of helpful truth and cleanness should prevail for all; that the supreme test of good journalism is the measure of its public service.

We believe that the journalism which succeeds best—and best deserves success—fears God and honors man; is stoutly independent, unmoved by pride of opinion or greed of power, constructive, tolerant but never careless, self-controlled, patient, always respectful of its readers but always unafraid; is quickly indignant at injustice; is unswayed by the appeal of privilege or the clamor of the mob; seeks to give every man a chance, and, as far as law and honest wage and recognition of human brotherhood can make it so, an equal chance; is profoundly patriotic while sincerely promoting international good will and cementing world-comradeship; is a journalism of humanity, of and for today's world.

Sons and Auxiliary Joint Installation Scheduled Tonight

Joint installation of officers will be held tonight by Alois Podrasnik camp, Sons of Union Veterans, and the Woman's Auxiliary to the Sons, with national officers being in charge of rituals.

The meeting will be held in W. R. C. Memorial hall in Ontario, beginning at 8 o'clock, and will be open to the public.

Installing for the Sons will be Dr. Ralph Barrett of Huntington Park, national commander of the Sons of Union Veterans of the Civil War, while Mrs. Lottie Turner of Pasadena, national organizer for the Woman's Auxiliary to the Sons, will install the Auxiliary officers.

Laurence L. Sturges, commander of the Sons, and Mrs. Emerson Gilliland, president of the Auxiliary, both re-elected, will be seated in their respective chairs.

$19,000,000 Likely In Car Tax Payments

California motor vehicle owners, more than 2,000,000 of them, will pay approximately $19,000,000 to the state for motor vehicle license and registration fees during the period ending Feb. 4, it was announced today by the department of motor vehicles.

Plans for caring for this huge army have been completed, according to Howard R. Philbrick, director of motor vehicles, who worked out many details as economy measures to meet the problem of a dwindling treasury in his department.

Notes of Society

As-We-Like-It Club Has Interesting Program

Meeting Friday afternoon at the home of Mrs. Leon Durham, 1124 North Euclid avenue, members of the As-We-Like-It club participated in one of the most interesting of the series of programs on rivers of the world, the subject of study during the past several meetings.

Mrs. Jeannette Whitmer was in charge of the "lesson" and she called upon each member to tell briefly some interesting personal experience concerning a river. This resulted in a variety of stories, some amusing, some thrilling, and each one concerning a different river.

Mrs. Franklin M. Baxter gave some very interesting information concerning the shortest rivers in the world and the longest, naming the rivers and telling their location and their length.

A short paper on "The Romantic Danube" was read by Mrs. Whitmer, who gave a brief history of the fame acquired by that river in history and literature.

It was the privilege of Mrs. Lansing T. Vedder to give the principal talk and she presented in fascinating form the history of the Nile river, which is inseparable from the glamorous history of ancient and modern Egypt. She also spoke of the part the great river has played in literature, from ancient times even to the present day.

Attending the meeting were Mrs. Vedder, Mrs. V. H. Wilson, Mrs. Etta Johnston, Mrs. W. H. Andrews, Mrs. Franklin M. Baxter, Mrs. Mary Eckerman, Mrs. C. K. Francisco, Mrs. E. A. Magill, Mrs. Jeannette Whitmer, Mrs. W. F. Kitchel, Mrs. Gust Anderson, Miss Sinabel Hart, Miss Bertha Palmer and Mrs. Durham, members of the club, and three guests, Mrs. Louise Vinz, sister of Mrs. Anderson; Miss Minta Kitchel of Des Moines, guest of Mrs. Kitchel, and Mrs. A. C. Smithburn.

Mrs. Winsler Honored At Farewell Party At Jones Home

Mrs. George Winsler, who made numerous friends while residing here during the past several months,was extended a pleasant courtesy by Mrs. Lester P. Jones and Mrs. F. B. Harn Friday when they entertained with a farewell party in her honor at the home of Mrs. Jones, 508 North First avenue.

Mrs. Winsler, together with Mr. Winsler and their daughter, Georgeanna, is returning this week to her home in Moravia, Iowa.

An afternoon of informal visiting was enjoyed and the hostesses served refreshments to their guests, who were Mrs. Winsler, Mrs. E. E. Pember, Mrs. S. D. Allee, Mrs. Harry A. McPheeters, Mrs. Howard Paulin, Mrs. Frank C. Buffington, Mrs. Robert Hall, Mrs. L. E. Moser, Mrs. Howard T. Mitchell, Mrs. C. C. Miller, Miss Hazel Miller, Mrs. Mary Eastlack, Mrs. Delmer Glick, the latter of Cucamonga, and the hostesses, Mrs. Harn and Mrs. Jones.

Business Women Will Postpone Meeting To Jan. 18

Because the San Francisco Opera ballet, an event of the Allied Arts series, will be presented at Chaffey on Thursday evening, Jan. 11, the regular date for the meeting of the Upland Business and Professional Women's club, the club women have decided to postpone their dinner meeting.

The new date for the club meeting, which will be held in the Upland Woman's club house, is Thursday, Jan. 18, and an especially interesting program is being prepared for that time, it is announced by Mrs. Wm. A. Gilliland, club president.

Under the direction of Mrs. Ellery F. Wright, program chairman, the club members will participate in a forum on "Government Grows Up in Our Town". This will be a study of the city's government and is expected to provide much interesting information.

Assisting Mrs. Wright on the program committee will be Miss Rose Sanchez, Mrs. Merle Rash and Miss Mabel Dillon.

Program Presented at P. E. O. Chapter Luncheon

With Mrs. Mary Eckerman and Mrs. E. G. Chaffee providing the program, members of Chapter DV, P. E. O., held an interesting meeting Monday afternoon at the home of Mrs. W. W. Majors.

Mrs. Majors and her co-hostess, Mrs. F. H. Wallihan, served a delightful luncheon and Mrs. C. W. Randall, chapter president, conducted a routine business session.

Speaking on "Social Service", Mrs. Eckerman told of the first organized efforts of society to give aid to those in need and she gave the history of the growth of such movements up to the present time. For many years Mrs. Eckerman has served on the city welfare committee and in the Upland chapter of the American Red Cross, having been chairman of both organizations, and she gave some interesting information concerning her work.

A personality sketch was given by Mrs. Chaffee, who selected as her subject, Anne Sullivan Macy, Helen Keller's teacher.

Attending the meeting were Mrs. Ralph M. Myers, Mrs. V. H. Wilson, Mrs. Abbie Withey, Mrs. G. E. McQuatters, Mrs. W. H. Andrews, Mrs. K. E. Marks, Mrs. Earl E. Hawthorne, Mrs. Hugh H. Delahoyde, Mrs. Eva Alford, Mrs. F. W. Jones, Mrs. Mary Eckerman, Mrs. E. G. Chaffee, Miss Winnie Catherall, Mrs. Mae Blackert, Mrs. Louise Wilson, Mrs. C. W. Randall, Mrs. Chas. B. Taylor, Mrs. J. R. Jakway, and the two hostesses, Mrs. Majors and Mrs. Wallihan; also one guest, Mrs. Mary Janney, mother of Mrs. Majors.

Miss Reimer Becomes Bride in Ceremony In San Diego

Of interest to Upland friends is the announcement of the marriage of Miss Justine Ruth Reimer, daughter of Mr. and Mrs. H. H. Reimer, 197 South Second avenue, and Forrest Blanchard Miller of San Diego.

The ceremony was performed at 2 o'clock Sunday afternoon by Dr. John Bunyan Smith, pastor of the First Baptist church, at the parsonage.

The bride wore a becoming gown of teal blue and a corsage of gardenias. Miss Freda Toews of San Diego attended the bride, and John D. Toews of Alta Loma, the bridegroom.

Guests were the bride's parents and her sister, Mis Gertrude Reimer. Following the ceremony the bridal party adjourned to the new home of the couple, 1733 First avenue, San Diego, for an informal reception.

The bride, a graduate of Chaffey high school, Chaffey junior college and the Ontario College of Beauty Culture, is employed in San Diego.

Mr. Miller, the son of Mr. and Mrs. Jess Miller of Reedley, is in the radio department of the United States navy, and is on the U. S. S. New Mexico.

Frances Paul Girls Hear Address by Mrs. Lorbeer

Members of the Frances Paul Girls class of the Presbyterian church heard an address of unusual interest last evening when they had the privilege of hearing Mrs. Lloyd L. Lorbeer (Elva Henry), who is on furlough from missionary work in India.

Mrs. Chas. V. Benson was hostess for the evening, entertaining at the home of her mother, Mrs. F. H. Manker, 603 North Second avenue.

Following a short routine business session conducted by the class president, Mrs. Frank Phillips, Mrs. Lorbeer was presented

Much of her time she devoted to telling of a number of interesting women of India, whose outstanding accomplishments have attracted attention. Mrs. Lorbeer also spoke of Gandhi, telling of his vast influence with the teeming millions of India and his successful efforts to uplift his people. She expressed the opinion that Gandhi, because of both his works and personal character, is one of the greatest, if not the greatest living man.

At the conclusion of her talk Mrs. Lorbeer answered many questions.

Refreshments were served during the social hour, the hostess committee including Mrs. Benson, Miss Bertha Palmer, Mrs. Maud M. Brogan, Mrs. Glenn Atwood, Mrs. J. Lynward Grahame and Miss Isobel Walker.

Mr. and Mrs. Ralph J. Santolucito have moved from 404 Ninth avenue to 262 North Laurel avenue.

Guests the past week end at the home of Mr. and Mrs. Charles E. Hays, 40 F street, were Mr. and Mrs. Allan J. Hays and son, Leonard, of Los Angeles. Allan Hays and Charles Hays are cousins.

Mrs. W. E. Kelsey of 333 North Third avenue had the pleasure of entertaining as her guests Sunday, Mr. and Mrs. Walter Malchow of Los Angeles, with whom she has been friends since living in the east many years ago.

Warren Wass, son of Mr. and Mrs. Warren H. Wass, Twenty-fourth street, returned to Santa Barbara this week where he is enrolled in Santa Barbara State college. He came to Upland to attend the funeral services of his grandfather, H. L. Wass.

Mr. and Mrs. F. J. Hill, 428 North Euclid avenue, enjoyed a pleasant week end at the home of B. W. Hocker, in Balboa. Going down with them were their son-in-law and daughter, Mr. and Mrs Melvin Hocker of LaVerne. Also present were Mr. and Mrs. Norman Case of Costa Mesa, who returned from their honeymoon. They were married in Nevada. Mrs. Case was formerly Gail Hocker. Joining the party on Sunday were Miss Hulda Runge and Warren Guy. The gathering Sunday observed the birthday anniversary of Mrs. Hill.

Mr. Thompson was formerly employed by the Southern California Edison Co. and later at Chaffey high school and junior college.

Mrs. Louise Wilson, 391½ North Euclid avenue, has enjoyed a visit the past week from her grandson, Robert Porter, of Woodward, Ia. During his stay here they visited with Mrs. Wilson's son in Surfside, and with her sister in Los Angeles. Mr. Porter was enjoying a two weeks' motor vacation from his work as laboratory technician in the office of his father, who is a physician in Woodward. While in the west he visited Boulder dam and Grand Canyon.

Misses Ruby and Lillian Harnish and Miss Eileen Greear motored to South Los Angeles Sunday afternoon and were dinner guests of Miss Greear's brother-in-law and sister, Mr. and Mrs. Henry Compton, at their home in Gramercy place. A light rain was falling when they left Upland, but when they arrived in Los Angeles they found the rain falling in a steady downpour and by the time they started home late in the evening the streets were running curb-full. Traffic was forced to move slowly and in many places the Upland party drove through water over the running board of the car. The worst condition was encountered on the Valley boulevard between Pomona and Ontario, where the water was gushing over the highway and the heavy rain was driven by a lashing wind. It was almost midnight before they were able to reach home.

ASSAULT CHARGE FILED IN COURT

Flavio Torres Out on Bail Following Gun Firing At Cafe

Facing the charge of assault with a deadly weapon, Flavio Torres will appear in Judge Fred Jacobs' court Thursday for a preliminary hearing. He is out on $1,000 bail following his arraignment in the court last Friday.

Filing of the charge is the result of injuries suffered by R. M. Luera from a gun shot at Torres' Foothill boulevard cafe last week. Victim of the shooting was in the county hospital but he had recovered sufficiently to be in court to face his alleged assailant.

"SARGINT RYAN" HONORED TODAY

Man Who "Digs Up Dirt" on Rotarians Honored at Meeting Today

The job of filling the office of sergeant-at-arms of a Rotary club as it should be done is one for which few have the talent and tact to qualify. However, in the Upland Rotary club that job has been filled in outstanding manner for several years by Dr. Ralph Ryan—and he was honored today in a program in charge of Rotarian "Pat" McQuillen.

In his custoary way, "Mac" paid his respects to his young friend and then called upon Rotarians Art Weber and John Shepperson, each of whom "did honor" to the "top sargint" of all Rotary clubs in the district. It is pretty generally conceded that Ralph has a wit and a way of extracting the coin of the realm from poverty stricken Rotarians of this day in as near a painless manner as possible during these times. It is a fact that the sergeant has as much to do with making a meeting a success as any other feature of the meeting—including the luncheon—so "Doc" feeds 'em with wit and humor while collecting funds with which to finance the work done for the underprivileged children, which is one of the major activities of the club, especially of Gus Hanson. Then, too, "Doc" can really be serious in his remarks—as was evidenced by his response to the many nice things said about him.

The club president, Owen Atwood, presided at the meeting and it was announced that Dick Hyland, sports writer for the Los Angeles Times, will be the speaker at next Tuesday's meeting, while on Monday, Jan. 22, the club members will go to Fontana for a joint meeting with the Rotary club there, the Upland club having sponsored the Fontana club.

1,200 Tons of Steel Used in Car Plates

More than 1200 tons of steel went into manufacturing the 2,791,215 license plates California motorists will buy in 1940, according to Howard R. Philbrick, director of motor vehicles.

Despite this great weight the new plates are lighter than those used last year, Philbrick said, 26-gauge steel being used in place of 24-gauge. In addition, the corners are more rounded, making for lighter weight and greater safety.

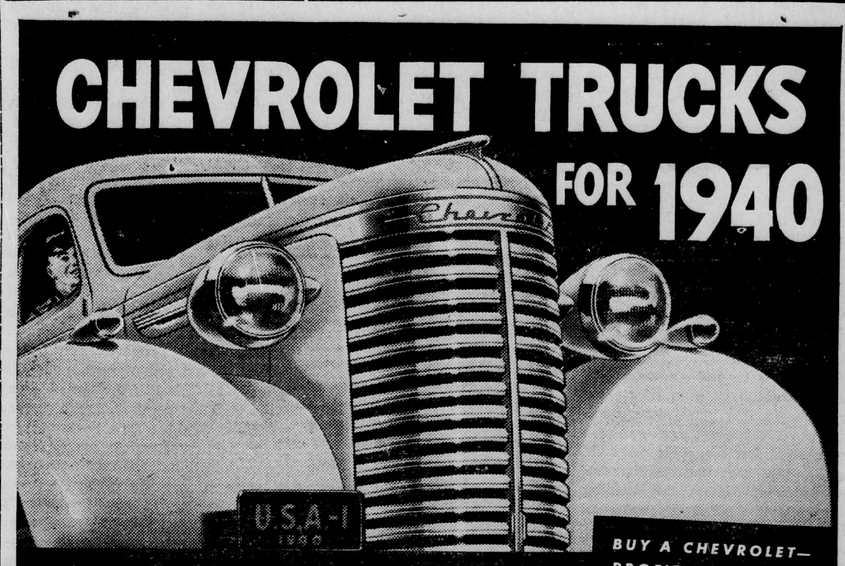

Many Expected to Enroll for Flying Course at Chaffey

More than 40 students are expected to enroll for the new course in air conditioning at Chaffey People's college, which opens for the first time tomorrow evening at 7 o'clock. Howell N. Tyson, from the California Institute of Technology at Pasadena, is the instructor.

Arrangements have already been made to accommodate the 41 persons who registered for the course during the past week. A recognized authority on air conditioning on the Pacific coast, Mr. Tyson has had both practical and technical experience before taking up his present work in Pasadena.

Year's Business Tops All Previous Marks

Bank of America 1939 Gains Due to Popularity of Policies

Releasing the statement of condition of Bank of America as of December 30, 1939, L. M. Giannini, President, stated that popular acceptance of the statewide services of the bank during the year had been indicated by the opening of more than 585,000 new accounts, as well as the making of more than 600,000 new loans for a total of over $616,000,000.

Total resources at the year-end stood at $1,628,586,000. Deposits totalled $1,482,791,000, an increase of $74,484,000 since June 30, 1939, another new high.

GREAT LOAN VOLUME

Further growth reflected by the statement included:

Loans and discounts, which totalled $711,054,000, were $15,952,000 more than June 30, 1939.

Earnings for the year were $28,330,000 before $4,381,000 was allocated to reserves for depreciation of banking premises, furniture, fixtures and equipment, amortization of bond premiums, etc., and before $5,000,000 reserves applied to reduce the carrying value of loans and investments. After payment of dividends to stockholders at the rate of $2.40 per share for a total of $9,600,000 for the year, and the allotment of $1,206,000 to the bank's personnel under the employees' profit-sharing bonus plan, capital funds were increased $8,142,000. From this there was deducted during the year by special charges against profits amounting to $5,356,000 a valuation reserve of 100 per cent against certain foreign credits on substantially all of which interest is currently being paid but which may be adversely affected by the war.

STRONG RESERVES

Banking premises, furniture, fixtures and equipment are carried at cost less depreciation, and to the end of 1939 depreciation of $15,788,000 has been applied to reduce the book value to the present figure. Also, certain other reserves are shown as applied to reduce the book value of assets with $15,564,000 provided for possible loss on loans and $5,800,000 provided on securities. The actual market value of the bank's investment in securities is substantially more than the amount at which they are carried on the books of the bank.

POLICIES APPROVED

Commenting on the year's results, President Giannini said:

"It is with a deep sense of appreciation that we are able to present tangible evidence of the approval of Bank of America policies and service by old and new friends. No banking institution in the country enjoys the privilege of serving a greater number of borrowers and depositors than Bank of America. To them and all the communities we serve our continued efforts to maintain that distinctive type of constructive 'banking that is building California' are pledged."

GUILD TO MEET

January meeting of the Woman's Guild of the Cucamonga Community church will be held on Thursday afternoon at the home of Mrs. Geo. E. Keyes, 998 Hermosa avenue, Alta Loma, it is announced by Mrs. A R. Holt, Guild president.

During the business session routine matters will be given attention and there will be a discussion of plans for the church Plunket dinner to be held on Tuesday night, Jan. 30.

A social hour will follow the regular meeting.

RACED WITH STORM

Mr. and Mrs. Leslie Foster spent Sunday in Glendale as the guests of Mr. Foster's aunt, Mrs. H. M. Lauderdale, and her daughter Margaret. When the rainstorm broke at Glendale late in the afternoon, Mr. and Mrs. Foster, remembering the Monterey district floods, decided it was best to go home. After driving the greater part of the time in a blinding rain and through flooded intersections, they arrived at their Alta Loma home just before the storm reached here. The driving would have been much more difficult had not the car been equipped with a fog light that picked out the white line on the roadway.

SERVICE STATION OPENS ON FOOTHILL

G. P. Lloyd Becomes Agent And Distributor for Associated Products

G. P. Lloyd is today agent and distributor for the Associated Oil Co. in this part of the Chaffey district, he having opened the new service station on Foothill boulevard at entrance to the Red Hill Country club.

Experienced for many years in the oil, retail and credit business Mr. Lloyd is well prepared to serve motorists. The Home Oil Co. of Pomona has appointed the new Upland resident not only a retail agent but also distributor.

The new station is located on the north side of Foothill boulevard between the offices of Kramer Bros. nursery and of H. F. Naisbitt, real estate agent. The building was erected by H. A. Teget on his property.

Mr. Lloyd has moved with his family to Upland from Santa Ana. One of the Horsch houses on San Antonio Heights has been rented and the new business man plans to make his permanent home here.

"One of my specialities at the new station will be lubrication", explained Mr. Lloyd. "Of course, we will maintain the usual supplies and services at the station but we want to emphasize that we are especially equipped to give unusual lubrication service".

Methodist Women's Societies Will Hold Meetings Thursday

The three women's societies of Upland Methodist church will hold their regular monthly sessions at the church Thursday.

Beginning at 10 a. m., the Woman's Foreign Missionary society will hold a short business session with Mrs. A. H. Stull president, presiding.

Immediately following this session, the Woman's Home Missionary society will meet. Mrs. Louise Wilson will conduct the business session and as the principal part of the program Mrs. Howard T. Mitchell will review a chapter in the study book, Homeland Harvests.

Members of the Willing Workers circle will serve the noon luncheon and immediately afterward the Woman's Aid society, Mrs. L. E. Moser president, will convene for a business session.

Chaffey Teams at Start of Hoop Play In Week's Contests

It's basketball time and this week end on Friday night Chaffey high school is host to Pomona and on Saturday night the Chaffey Panthers will be in Riverside for an important engagement.

While at present the Chaffey teams are not rated so highly, the quintets are likely to be strong contenders for league titles. The Panthers, admittedly weaker now than for many seasons, will battle for top place with other weakened Orange Empire conference quintets.

Coach Karl Kaiser will put a strong Tiger five on the floor in the season's opener at 815 p. m. Sophomore teams will appear in a curtain-raiser at 7:15 p. m.

Aged Watchman Dies in Sleep

Charles F. Hickox, a resident of this section for 42 years, passed away in his sleep early Sunday morning at a rest home on San Antonio Heights. He was 90 years old.

A retired night watchman for the city of Ontario, Mr. Hickox is survived by two sisters, Mrs. John Gettman of La Verne and Mrs. Wallace Jameson of Gilroy, and by two sons, Charles D. of Portland, Ore., and Waldo A. of Roselle Park, N. J., and by one grandchild.

Services will be held at Stone Funeral home, 329 East Ninth street, at 2 o'clock tomorrow afternoon. Private cremation will follow.

Junior High Teams Schedule Two Games

Two interscholastic basketball games are scheduled this week for the Upland junior high school. If weather permits, a game between two teams at Fontana junior high school—the eighth and ninth grade teams—will meet similar teams from the local school tomorrow afternoon. Since there is no gymnasium here the games cannot be played if rain continues.

Friday afternoon the ninth grade team will play the Chaffey freshmen at the Chaffey gymnasium.

E. R. Camfield is coaching the ninth grade team here, and Edwin Dean is coaching the eighth grade players.

Traffic Questions Answered Here

Q—Are right hand and arm signals permitted?

A—All arm and hand signals must be given from the left side of a vehicle.

Q—I loaned a friend $200 on his car and he gave me the ownership certificate, which I had changed for my protection. Now I learn that he had $80 worth of repairs made, failed to pay it, and the car was sold to satisfy the lien. Where do I get off at?

A—Section 429 of the Vehicle Code provides that: "Within twenty days after such sale, the legal owner may redeem any such vehicle so sold to satisfy said lien upon the payment of the amount thereof, all costs and expenses of said sale, together with interest on said sum at the rate of twelve per cent per annum from the due date thereof or the date when the same were advanced until the repayment."

Q—How fast may a truck and trailer be operated over our highways—I mean out in the open stretches?

A—When a truck and trailer are equipped with pneumatic tires the top speed is 40 miles per hour.

P.-T. A. MEETS WEDNESDAY

Mrs. Marvin Wangler, librarian of the Cucamonga branch library, will discuss children's books when she speaks at the meeting of the Cucamonga Central Parent-Teacher association to be held Wednesday afternoon at the Central school house.

The session scheduled for tomorrow was postponed from Jan. 2, the regular time of meeting, because that day followed so closely the holidays.
